I have ^{recently} been on an event in real life. It was a bodybuilding competition. I remember reading about different ²⁰ body builders, because I am interested in the sport. My ³⁰ grandfather is a coach in the bodybuilding industry too.

The ⁴⁰ event took place in my city, ^{yesterday} not that ⁵⁰ far away from my house. I was called by my ⁶⁰ grandfather to help them in assembling the stage. I ^{had been} given a free VIP pass ^{in my car} by the hosts for ⁸⁰ my help.

A lot of people were involved. Someone was ⁵⁰ carrying the tables for the judges while I was ¹⁰⁰ overseeing everyone.

The event ended late in the evening. All body builders have left into the ²⁰ backstage and we all left shortly.

I think I remember seeing a Star Wars event at a shopping centre with a purpose of cheering up kids, which was way more than I'd usually expect at evening. A lot of families gathered around a futuristic spaceship, after a short while the whole area was lit in random colours and smoke, laser blaster noises were coming from seemingly everywhere. I couldn't see well in all that smoke, but I had a Chewbacca actor surprise me in middle of the crowd. The event ended with a few notable and known Star Wars tracks and loud sound effects. I felt a bit awkward leaving it, but my day was made.

I really like my school. It is located near my house, so I can get to it fast. It is pretty big. It has many floors with different rooms for every lesson, library and cafeteria where everyone can eat. I usually start at 8:00 and finish at 15:00. I have eight or seven lessons every day. Apart from lessons I like to do on excursions. I have a lot of fun, reliable and honest friends that can always help me with anything. My favourite lesson is English language, but I like many teachers. For example, I like Russian language, math, geography and biology teachers.
